Q. What are the referee fees and how are they paid?

A. The referee fees for each season can be found on the Referee page of the PAGS website. There is a link to this page in the banner on the home page. The teams each pay 50% of the fee per game.

Q. What do I do if the referees fail to appear for the game?

A. First contact your Club's referee assignor. Referee assignors can be found on the Referee page of the PAGS website. There is a link to this page in the banner of the home page. If a Referee has not arrived by the scheduled start time for a game, the coaches of both teams should mutually appoint one person to perform as a substitute Referee. If mutual agreement cannot be reached on a single person, the home team coach may nominate one individual to perform as a substitute Referee and the visiting team must do the same. Both nominated individuals should jointly officiate the game. If the assigned Referee does not arrive before the start of the second half, the substitute Referee(s) should continue and officiate the entire game. Each substitute Referee must be given the same respect and will have the same authority and backing as any regular Referee, and shall be compensated the same.

If the coaches of the two teams cannot agree on the aforesaid procedure, it shall be the responsibility of both team officials to reschedule the game with the PAGS.
